

It is a cold and foggy autumn night. The sun has just set. Julie, a beautiful young woman, who has just gone through a rough week at work, is spending the weekend alone at her secluded cottage, far from the city. She has just enjoyed a hot bath, has slipped into sexy, silk house coat and has snuggled up on the sofa to enjoy a nice relaxing night reading a book. The fireplace is roaring and it is a perfect evening for Julie after her long week at work. This is exactly what she needed...when all of a sudden; she hears a knock on the front door! This startles her, due to her not being so isolated and not used to having any visitors up here. She jumps of the sofa and cautiously approaches the front door. As she gets close to the door, again she hears the knocking again. Only this time they have gotten louder and more urgent. Her heart starts to race as she begins to wonder who could want to get in. Her voices quakes as she ask:

"Who is it?"

To her comfort, a female voices answers:

"My name is Samantha. I was out hiking the woods and I got lost along the way. I was getting very nervous until I spotted the lights coming from your cabin."

Hearing this, Julie quickly unlocks and opens the door. As the door opened she is greeted with a stunning woman smiling at her. Although she is dirty and damp from her hike, it's easy to see that she is a very good looking woman. She looks sexy in her tight white tank top, high cut shorts and hiking boots.

Julie: "Oh you poor thing, you look freezing. Quick come on in so you can warm up."

As Julie invites Samantha in, she can't help but notice Samantha's ample breast. They are firm and bounce with every step. As she passes Julie, Julie glances down and catches a glimpse of Samantha's perfect backside. It is perfectly shaped...looking as if it was sculpted by an artist and has just the right amount of fullness to it. Julie feels a strange and unfamiliar sense of arousal rushing over her. She quickly begins to

imagine what Samantha's butt would look like, minus the short! It quickly rushes away as Samantha turns to face her. Julie realizes how close she came to get caught checking out Samantha. She regains her composure and nervously asks Samantha:

"Is there anything I can get for you?"

"I'm just happy I was able to find your place. I was starting to get very cold."
Answers Samantha

"Are you hungry?" Julie asks

"No, not really... I'm just very cold."
Answers Samantha

"I know...I bet you could use a hot bath to warm you up?" States Julie

"Oh no, you don't need to go to that trouble."

"No, I just got out myself, so I'm sure it still warm."

"Well how can I refuse then?" as she gives Julie a flirty smile

Julie again feels a rush of unfamiliar emotions rushing over her as Samantha smiles at her. She is excited, yet confused, for no woman has ever stirred up these emotions in her. All of sudden she realizes that she hasn't introduced herself!

"How could I have been so rude? I forgot to introduce myself. My name is Julie."

"Well hello Julie. Are you gonna show me where the bath tub is?"

Julie nervously replies: "Oh yes! It's straight through that door." as she points to the door down the hall.

As Samantha turns, she gives Julie a very sexy look and begins to walk down the hall. As she walks down the hall, Julie can't help but glance at Samantha's ass once again. She can now make out the definite outline of the thong Samantha is wearing. This time, Samantha turns and catches Julie checking her out. She eyes Julie up and

down and replies:

"Don't worry, I won't be long." As she gives Julie a wink

This causes Julie's heart to jump and as Samantha turns away and enters the bathroom, Julie lets out a silent sigh and leans against the wall. Samantha enters the bathroom and closes the door behind her. However, she fails to close it completely, leaving a small crack, in which, Julie still leaning on the wall, notices. Julie walks over to close it, but as she gets close, she spots Samantha bending over, removing her boots. Again, Julie is mesmerized by Samantha's perfect derriere, and finds she is unable to look away. Just as Julie is about to grab the doorknob to close the door, Samantha begins to remove her tank top. Well this stops Julie dead in her tracks, and she feels compelled to continue spying on Samantha.

Although she wants to leave, her curiosity is becoming overwhelming. Julie is now beginning to become very hot and excited. Her nipples are becoming firm and she can feel a rush of arousal building in her crotch. As Samantha begins to remove her shorts, followed by her thong, Julie can feel her pussy becoming engorged. She begins to rub her thighs together and begins to lick her lips. Her housecoat as become loosened and her breast have become slightly exposed. As she continues to rub her thighs, she begins to caress her beautiful breast through her house coat. As Samantha slides into the tub, Julie can also feel her own hands making their way down from her chest area. They work their way down past her belly button, until they reach her tuff of pubic hair.

At this point, Julie feels all the blood in her body rushing to her sweet spot. She begins to picture Samantha lying in the tub, body drenched and glistening in the water. It is at this moment when her fingers finally reach their destination. Julie begins to explore her pussy with her fingers, running them over and through her pussy lips. Her pussy is already so moist from her arousal! She continues to rub her wet lips in a circular motion, all the time picturing Samantha

in the tub. With every passing second, Julie is becoming more and more lost in her fantasy, and is getting close to losing complete control. She begins to zero in on her clit and starts to grind her hips in a motion matching her hand movements. Julie is beginning to now let out soft moans under her breath. Her breathing has also increased significantly. She feels her heart pounding against her chest.

Just as she feels herself reaching a climax, Samantha makes a noise in the bathroom, which startles her. It seems to snap Julie out of her erotic trance. Samantha simply had shifted herself in the tub, but it was a close call for Julie. Julie realizes just how close she came to being discovered by Samantha. After a few moments, Julie regains her composure, and makes her way to the kitchen. She turns the tap on and splashes her face with cold water in an attempt to cool herself down. Leaning on the counter, she takes a few deep breathes, when all of a sudden...she hears Samantha's voices.

"Julie could you come her for a second?" ask Samantha

This causes Julie's heart to skip a beat. She takes a big gulp and nervously answers; "Yah...just one second!!!"

Julie frantically fights to regain her cool as she hastily tries to do up her house coat as she walks towards the bathroom. As she gets to the door, her heart begins to pound. She hesitantly opens the door and is greeted with Samantha smiling as she looks over her shoulder. Julie remains standing in the doorway, arms crossed and looking very awkward.

"Don't worry, I won't bite." states Samantha

"I was just wondering if you could wash my back."

"Sure." Julie quietly replies

"Well come on then." Samantha replies, as she lifts her long dark hair up, to expose her back.

Julie begins to make her way towards

Samantha. As she gets close, she feels as if she is going to lose it. Her heart still racing, she stands behind Samantha and sits down on the edge of the tub. As she sits down, Samantha turns to her direction and passes her the sponge, staring right into the eyes of Julie. Her look is enough to melt almost anyone...man or woman! As Julie grabs the sponge, she places it in the hot water. As she feels the hot water, she gets quick flashes in her mind of Samantha and herself in the tub, together! She quickly blocks it out of her mind, and focuses on her task on hand. As she rubs the dripping sponge over Samantha's back, Samantha lets out a slight moan of approval.

"That feels great" says Samantha, as she turns and flashes Julie a seductive and subtle smile.

As she smiles at Julie, her eyes venture down and zero in at Julie's slightly exposed breast. In her haste, Julie had not completely tightened her house coat up as she made her way to the bathroom! Julie's eyes follow Samantha's, until she can see that she what Samantha is looking at. She drops the sponge and quickly clenches her house coat together, cover up her breast.

"Don't worry" states Samantha, "You have amazing breast."

"You think?" Julie replies

As Julie replies, she sees Samantha reaching for her house coat. As Samantha grabs her house coat, Julie grabs Samantha's wrist.

"What are you doing!?" ask Julie

"I just have to get a second look" replies Samantha

"Oh...I don't know if this is what we should be doing." Answers Julie

"Well, you seemed to like what you were looking at earlier." States Samantha

Suddenly Julie realizes that Samantha knew the whole time, that she was

checking her out. She quickly gets up and takes a few steps towards the door. Her back is now facing Samantha.

"I don't know what I was thinking. I'm not that type of girl" says Julie

As she states this, she hears Samantha getting out of the tub. She feels like she should run, but something compels her to stay. Samantha grabs a towel and dries herself off. Still with her back to Samantha, she looks over her shoulder and sees that Samantha is standing, with a towel wrapped around her, and she is right behind her! Julie turns and takes a few steps back until she is pinned against the wall. With nowhere to go, Samantha slowly approaches Julie until they are inches apart. Feeling trapped, Julie makes a move for the door but is stopped by Samantha. Samantha pins her against the wall and leans. The two women stand there, eyes locked and gazing into one another.

"I don't think I can do this," states Julie, as her eyes begin to tear up.

Samantha responds with a soft "shuuuush", as she leans in and plants her lips on Julie.

Julie lets out a gasp as she feels Samantha's hot lips meeting hers. She can feel Samantha's warm breath passing over her lips as Samantha begins to explore her mouth. At first, Julie just sits back and accepts Samantha's advances, until Samantha gently bites on to her lower lip. Julie responds by grabbing Samantha's hair and pulls her head away. Julie then moves in and begins to kiss Samantha's neck, working her way up until she plants an open mouth kiss on Samantha. This causes Samantha to respond, and not before long, they are in a full blown make out session! Their tongues begin to circle each others. Both begin to breathe very heavily and they become fully enthralled in their moment. Samantha then place her left leg in between Julie's thighs and begin the grind her. This causes Julie to let out a loud moan. Passion begin to reach a feverish pace, when all of a sudden...Samantha pulls back a breaks the moment.

"What's wrong? Was I doing it wrong?" asks Julie

"No...you were perfect. It's just that a got the perfect way to finish this." responds Samantha

As she says this, she grabs a hold of Julie's hand and begins to escort her out of the bathroom. Although Julie has no idea of what to expect, she can't help but be led by Samantha. Samantha leads her back into the living room, where she guides Julie to the fireplace and standing over the bear skin rug.

"This is perfect here." Proclaims Samantha

As she says this, she guides Julie down so they are both sitting on the soft carpet, right in front of the roaring fire. The heat of the fire is matched by the burning desires forming in both women. Julie can feel a sense of excitement and fear come over her as she is now entering uncharted waters.

"I'm not sure I know what to do here?" states Julie

"Don't worry, I'm sure you are going to be a natural...just follow me lead" Samantha replies

At this point, Samantha reaches for Julie's bath robe. As her hands grasp Julie's robe, Julie's heart begins to race and she let's out a gasp of air. Samantha begins to part Julie's robe, exposing her breast. Julie begins breath heavily. Samantha continues to work on Julies' robe, sliding it over her shoulders, until Julie is sitting there, completely nude. Samantha steps back and marvels at Julie's beautiful body. She flashes Julie a sexy smile, as she sit back and removes her towel. Now, both women are laying there nude, gazing into each others eyes. Samantha then guides Julie onto her back, and leans over her, breast hanging over Julie's. Julie marvels at Samantha's incredible breast, and soon her imagination begins to run wild. Samantha looks into Julie's eyes and ask her; "Do you want to touch them?" Without answering, Julie reaches up and

grabs a hold of Samantha's spectacular breast. Julie gets a look of pure pleasure, as she feels the breast of another woman, for the first time. She can't get over at just how soft and supple Samantha's breasts are! Soon, her gentle rubbing turns into heavy groping, causing Samantha's nipples to become stiff and erect, all the time, Samantha is moaning in pleasure. Julie finally releases Samantha's breast and looks into her eyes.

"You like how my tits feel?" ask Samantha

Julie nods and smiles in approval.

"Well then, I think it's about time we take this to the next level."

Julie takes a big gulp as she hears this. She has no idea of what to expect.

"Don't worry, you're gonna love this..." Replies Samantha, as she rises up.

She is now kneeling at Julie waist with her hands placed on Julie's knees. She slides her hands to the inner part of Julie's knees, and begins to spread Julie's legs apart. Samantha pauses for a moment to look down at Julie's beautiful pussy...it's nicely shaped and full lips, nice dark fleshy colour and a perfectly manicured mound of pubic hair. She also spots the lube beginning to flow out of Julie's inner lips.

"Ooou...your pussy is going to love this, Julie" states Samantha

As she says this, she places her left hand on Julie's lower stomach and lifts her left leg over Julie's mid section. Now, with their legs intertwined, Samantha begins to lower herself. Julie begins to pant, as she anticipates the feeling of their pussies meeting. As their hot pussies begin to merge Julie let's out a loud "Annnh"! Their moist lips wrap around each other. This sensation is almost enough to force Julie to loose it. Samantha decides to just rest on top, to allow Julie to regain her composure. The heat of their pussies almost melts the two together. Samantha looks down the almost spent Julie and says to her; "Just

relax, and take a few deep breaths.”

As she says this, she begins to grind her hips into Julie’s pelvis. Julie bites her lower lip to mask the unbelievable pleasure she is feeling. After a few moments, Julie begins to grind her hips, to match Samantha’s movement. At first, the action is slow and steady, but as Samantha senses that Julie can handle the pressure, she really begins to lay into her. Before long, both women are caught up in a rhythmic dance of pure sexuality. Samantha is amazed at just how fast Julie has caught on. In a surprising moment, Julie flips Samantha over and mounts her. This totally catches Samantha off guard and really gets her excited. Soon, she begins to moan and can feel her pussy getting very moist.

“So you thought this was going to be a walk in the park, didn’t you?” Julie cockily asks.

“So this is how you want it? Responds Samantha

As she says this, she quickly reverses Julie, so that Julie’s stomach is facing the ground. She then proceeds to mount Julie doggystyle, and lays into her with her pussy. Samantha begins to thrust vigorously. With each thrust, Julie’s ass is sent jiggling in a wave of female curves. To match each thrust, Julie lets out a loud moan of pleasure. Being screwed hard seems to really get her excited and she responds by saying; “Fuck me baby!”

“Oh, I’m going to fuck you and make you come like you’ve never come before!” responds Samantha.

“We’ll see” answers Julie.

As she says this, she begins to ram her ass into Samantha’s crotch. The force of this causes Samantha to fall on her back. Sensing this, Julie rises up and sits her ass, right on Samantha’s crotch.

“Now it’s my turn!” Julie states.

She begins to rock her hips back and forth, causing their pussy lips to slide over one another. Julie’s clit is very hard

at this moment, and she begins to insert into Samantha, penetrating her pussy. This causes Samantha to moan like never before. As she moans, she closes her eyes and arches her back. She is totally taking back by this trib novice. It seems that the end is near for Samantha, when all of a sudden Julie begins to get very excited. Julie lets up as she feels the blood rushing to her pussy. In her excitement, she forgot to keep her own arousal in check.

“What’s wrong can’t finish me off? Well that’s not going to be a problem for me.” States Samantha

As she says this she pushes the almost spent Julie off her. Now Julie is lying on her back. Samantha then proceeds to crawl beside Julie, so that she is now kneeling beside her. Samantha then begins to run her hands over Julie’s torso. At first she focuses on Julie’s breast, then her hand starts to venture south. Samantha’s hand first reaches Julie’s pubic hair. She runs it through briefly, until she finally begins to stroke Julie’s pussy. Julie responds by letting out some pleasurable moans and aids Samantha by rocking her hips, up and down. When Samantha senses that the moment is right, she lifts her right leg over Julie’s head. Now Samantha is on her hands and knees, with her head in line with Julie’s pussy. She continues to run her fingers over Julie’s pussy, when all of a sudden, she leans down and begins to kiss Julie’s inner thighs. Although, Julie has never done this with another woman, she shows no signs of displeasure. Sensing that Julie is “game”, Samantha’s mouth finally makes it to its target. She starts by gently kissing the outer lips of Julie’s pussy.

In a short time, Julie’s pussy begins to flow with her own juices. Not being able to resist, Samantha dives right in and begins to lap up all of Julie’s sweet pussy juice. Julie is now totally lost in a state of lust, and in a shocking moment, decides to dive in herself. Although she has never tasted another woman’s pussy, she is amazed at how sweet it tastes. Samantha quickly glances back and flashes a friendly smile, before resuming dining on Julie’s pussy. Both women

continue to gorge themselves on each others pussy for several minutes. Finally sensing Julie's impending orgasm, she slides down and rests her butt on Julie's wet crotch. With Julie's eyes closed, Samantha grinds her mercilessly. The unmistakable sounds of two wet pussies rubbing together begin to fill the room. At the peak of Julie's excitement, she arches her back for the last time and begins to scream uncontrollably. The result is Julie having one off the most earth shattering orgasm. After a few moments Samantha lies back down next to her and begins to kiss her.

"I told you, you were going to like this." states Samantha.

"You have no idea...I love you. We definitely have to do this again." responds Julie.

As Julie states this, the girl kiss and are left embracing in front of the fireplace. This turned out to be a night that Julie will never forget.
