**THE STORY OF BOBBI & ABBY**

Bobbi and Abby are best friends from college. Both are lesbians but restricted on any sexual activity due to education to move on to future careers. Most importantly was because they are "best friends". During their lasting friendship, it became apparent that they have the biggest crush for each other but never had the chance to reveal their inner passionate secrets because it might ruin their friendship or maybe there are many

lesbian women out there available that they can have opportunities to pursue and explore. Through intimate moments, there were times when Bobbi and Abby attempted to do something like a peck to the cheeks and cuddled while watching a movie, but further intimacy into sex were prohibited because they thought maybe they've crossed the line too far.

During college, Bobbi and Abby both were interested in taking wrestling classes as an extra curricular program. Both thought it would be fun and healthy to keep their gorgeous bodies to be well-maintained and in good shape plus to build up their self-esteem. On their first class, both Bobbi and Abby were selected from a crowd of 10 students to volunteer to be on the center of the mat to wrestle. The instructor first gave specific regulations like (no genital rubbing/hitting, hair pulling, spitting, punching, slapping...etc) prior to the match before blowing the whistle for the ladies to wrestle. Once the whistle went off, Bobbi and Abby wrestled each other so competitively that the instructor had trouble seeing what was going on. In her mind; she wondered if these two girls had previous experiences in wrestling. Throughout the wrestling match; there were many school-girl pins and body-to-body presses. Both were wearing bikini tops and black tight spandex shorts. The sweat from their bodies were very visible quickly by these struggling movements and probably because the temperature in the gym was high.

A couple of full body presses had made these ladies to think differently about wrestling as they started rubbing. Crotch-to-crotch started to appear as their sticky legs intertwined into each other. Both ladies were struggling but at the same time, they were enjoying every moment of it as they lost their transitions. The instructor saw this to be prohibited in the wrestling program as she found Bobbi and Abby too intimate into each other on the mat that her other 8 students weren't signed up to witness this erotic encounter. The instructor witnessed a couple of her students very into the erotic action as well as they started touching themselves.

After the end of the first class, the instructor spoke with Bobbi and Abby that they are not allowed into the wrestling program anymore due to the stuff that they've performed during class, that it affected her other students and herself into this prohibited eroticism. It was simply against program policies.

Through endless separate nights, Bobbi had dreams about that same wrestling class with Abby but she wanted to continue to extend the dream about what would happen more other than "wrestling" and how it would end. In her dreams; Bobbi wanted to rip Abby's clothes off each at a time because they were so lovingly sweaty hot for each other, and they would kiss and moan for hours and pussy-to-pussy rubs to a total orgasmic end. Her athletic body would mashed up onto Abby's sexy body sharing heat, their hands would touch and slide all over each portion of their smooth wet skins. A couple of mornings, Bobbi's bed were wet from those fantasies.

On the other hand, through Abby's endless nights; she also fantasized the same about that wrestling to an erotic finish, and on a wet bed the next morning.

It was difficult as they tried to reveal their inner lust for each other in person but time has taken their lives to the next level as they both had different views of their careers. Eventually they both decided to go on separate ways but still reunite whenever they are free from their workaholic lifestyles. They both had made promises to keep in touch.

Through the absence of seeing each other; their fantasies for each other had been faded away.

### **(THREE YEARS LATER.....)**

Abby first met Ciara from her visit to a salon. The manager randomly picked Ciara to offer the services to Abby since she was the only employee available. During the hair styling session, it was the happy chats and giggles that ignited the start of their friendship much like with Bobbi. As each hair is being stylized; more questions and comments

were heard from the two as if they knew each other for years before. They talked and laughed, they felt that they had many things in common and within their conversation finally revealed their sexual preferences: both are lesbians and are seeking. And more that intimate words were leaked out from their lips. They did not mind as they actually enjoyed talking about this topic openly.

Just when the hair dye-colors were completed, Ciara offered Abby to the hair-washing sink to rinse the colors off plus shampooing. Abby remembered very well that her new found sensation came upon when Ciara washed her hair, the gentle touch of those soft fingers caressing Abby's sculp as the warm water flushes slowly at the same time. This sensation must be because Abby hasn't been touched by another woman for three years. She would still dream about Bobbi washing her hair instead or any forms of massage.

Abby lives a busy life but it was the hair washing moments that made her feel very relaxing and sleepy that she completely forgot the stressed-out life that she faces everyday. As Abby merely felt asleep, Ciara leaned very close to Abby's ears and whispered: "Abby....wake up baby...." Gradually, Abby opened her eyes and immediately she lost control, turned her face towards Ciara and kissed her, she enjoyed it so much that she gave it a little "French" tongue twist to the action and didn't want to let go. To keep the salon's good reputation; Ciara pulled out her juicy wet lips off from Abby and turned her head to see if the manager was watching but luckily no one was around them. Abby's lips were wet so Ciara smiled and whispered: "mm..tasty." she then grabs a tissue and wiped off Abby's wet spots around her lips slowly.

Through days and days; Abby paid frequent visits to the salon. Months later, they both became lovers.

Throughout their relationship, they had many sexual activities through nights on the bed.

Many woman had visited the salon ever since and majority of the customers loved and preferred Ciara than other employees to do the job. Some loved how she communicates because of her fun nature, while other "lesbian" women loved her by her overall traits, most of them loves to flirt with her and surprisingly, Ciara also returned the flirts.

Through time, Ciara's immaturity had driven her real commitment away for Abby since many "of the lesbian women" had asked her to go out, party, drinking, and maybe on the bed. There were many nights where she wouldn't even answer Abby's phone calls and even Ciara picks up the phone then there would be excuses like "going out for dinner with family", "busy shopping" or even " a trip to other salons in other countries".

Abby became more and more suspicious of Ciara because she had not called for months. Surprisingly, her best friend Bobbi (who just came back from a long trip) has offered to help out to ease of Abby's concerns. Abby's inner crush has finally arised but she did not want to give any hints to Bobbi because Abby was still faithful to Ciara.

Bobbi volunteered to help her best friend out, but inside her mind, she thought that it could be a mistake of her to intertwine with Abby's relationship with Ciara. This could also regain Bobbi's inner lust for Abby that was absented for three years if Ciara becomes the real cheater in the relationship.

(Ciara once told Abby that she is out of town in a business "salon" meeting.)

Many nights of hidden investigation and spying every movements; Bobbi witnessed that Ciara was actually still in the city working at the same salon but working in later hours. She witnessed that Ciara had been seeing multiple "customers" going out the salon holding hands before entering to their vehicles. Bobbi would follow them with her car. Many scenerios came upon when she witnessed Ciara and her "customer" travelled to a quiet place where Bobbi discovered Ciara's dirty cheating secrets

in the backseat of the car that it was more than just a "customer" or customer with "benefits".

Through various discoveries had Bobbi in shock knowing that the woman she had her biggest crush on (Abby) for the longest time had been cheated by a whore (Ciara) in which none of this would happened if Bobbi was Abby's lover the first place. Bobbi regretted her decision for being quiet 3 years ago.

In conclusion to the spies: After Abby found out the results from Bobbi; there were many confrontations between Abby and Ciara regarding the topic of cheating (without Ciara knowing that a third person had helped Abby out). But many results were undefeated because Ciara had promised over and over that she would not cheat again and Abby felt the "truth" in Ciara. Of course Bobbi did not like Abby's final decision on keeping Ciara. Through days on the phone; Bobbi confronted Abby to not trust Ciara anymore that she can prove Ciara will cheat again some time.

**(Weeks later,** no sign of Ciara cheating because there were no sign of Ciara working at the SALON). No calls were made from Ciara to Abby ever since.

Grown out of curiosity and frustrations from Ciara's absence, Bobbi went to the salon where Ciara worked and asked the manager on her whereabouts. The manager replied: "She said she had transferred to another salon." One of Ciara's regular customer overheard Bobbi and the manager's conversation and replied: "Ohh,...that chick Ciara?...she went to this \*\*\*\*\* salon..my stupid ex-husband just hired her a few days ago".

The regular customer gave Bobbi the address of the salon that Ciara had transfered to. Bobbi decided to drive to that salon and parked her car secretly with a camera on hand to continue to solve this case once and for all to end all devastation.

One hot summer night..... turns out that Ciara worked very late through several nights and just when the lights at the salon were turned off; Ciara came out and locked the front doors of the shop with another "mysterious women" squeezing & caressing Ciara's butt. Both were wearing skimpy clothes, skirts, bras, tight jeans, running shoes...because the temperature was pretty high for a night time. Onto the car, they started kissing lightly and drove away. Bobbi decided to follow pursuit at a safe distance through traffic. Bobbi's heart was pounding because of this risky pursuit and the consistent discoveries of Ciara cheating, her body was glistening with sweat so she closed the windows and turned on her air-conditioning. Her heart was pounding.

Repeatedly, Ciara and her unknown lover went to a nearby park, they immediately found a parking spot, turns off the engine and engaged in some wildest sex that Bobbi had always wished to do. While Bobbi secretly filming; her arousal became more existing as she witnessed the steaming action from these two love birds and she also imagined that she can do the same with Abby. Bobbi eventually resisted the sexual temptation of watching the sex scene because she felt even more sorrow for Abby because she did not deserve this that she could've had a better lover. Bobbi managed to snap a couple of pictures and videos of Ciara's infidelity just before their windows became fogged up from interior car heat.

Bobbi knew that this should put an end to Ciara's uncommitted role in Abby's relationship. Bobbi called Abby that same late evening that she would swing by tomorrow in the afternoon to give her the news.

### **NEXT AFTERNOON**

It was a hot summer day in the apartment. Abby had a day off so Bobbi decided to drop by to the apartment to release the final pictures and videos on Ciara and her mysterious lover. When Abby opened the door, she was wearing the typical conservative clothing as she always wear at work (nylons with no

undies underneath, skirts and a tight shirt). Bobbi was wearing a pink bikini top, a tight light blue spandex shorts and white gym shoes.

Bobbi: "Hi, did I drop by at the wrong time? You were about to go out?"

Abby: "yeah...I was going to meet Ciara at a coffee shop since she answered her cellphone last night".

Bobbi: "You know she cheated on you again right? I saw everything last night, she actually moved to another salon and with a NEW lover, I have it all in this camera".

Abby: "thanks Bobbi for the help, but I still really need to talk to her face to face. She didn't tell me about the new salon though..that's strange!"

Bobbi: "What? okay, it looks like you are going to give her another chance, am I right? She LEFT you and you should do the SAME!"

Things starts to heat up the room as the words began to sound like an argument. As they raised up their voices, Bobbi moved forward as Abby tip toed backwards reaching to the living room floor mats (just like the mats that they'd wrestled in college). While they are arguing, you can clearly see the heated passion that may unleash between these two hidden lovers. It could be the hidden agenda that could ignite any minute,...any split second.

Abby shouted: "I appreciate your help but I would still like to solve it MY WAY!"

Bobbi shouted: "I know you are going to forgive her but WHY?...you are just going to be tricked again!..WHY ask me for help then?"

Abby shouted even louder: "Thank you for you help but it's my relationship so I have to deal with this!"

Bobbi replied: "NOOoooo....you don't" In a split second, Bobbi then quickly grabs Abby's neck and pulls her in and kissed her aggressively.

The saliva began to drip out from their lips as they moaned and kissed wildly.

After a few wet sounding kisses, Abby restrained while still suctioned in a full lip kiss and mumbled: "hmmm.....What...hmm.....are hmmh...you doing?" Bobbi released the wet kiss and said: "something that I should've done a long time ago.."

Bobbi then attempts to grab Abby closer again for another desperate wet kiss but this time, Abby refused and from there the wrestling erupted immediately like boiling water. From that moment on, Bobbi and Abby were wrestling aggressively as if they never had the opportunity to finish what they have started in the wrestling class back in college. Both ladies breathed heavily as the heat from the room surrounds them. Their bodies began to glisten with sweat as they tangled heavily onto the mat, there were a lot of competitive fast-paced rugged raw wrestling action until exhaustion through heavy breathing.

Each maneuver that Bobbi performed had Abby to resist the temptation of losing a battle or maybe Abby wouldn't want to unleash her deep secret passion for Bobbi once everything is fully nude. Abby restrained from having her clothes to be removed. And in each open opportunity came to an unexpected removal of clothing all stripped/ripped down to the remaining of Bobbi's g-string and Abby's nylon (nothing but pantyhose). Both ladies are very competitive so they did whatever it takes to win something even if their clothes were stripped. Each removal of clothing also had made the ladies feeling elevated and horny.

Both became almost fully naked as their glistening full bodies pressed on to each other sharing body heats. Wet nipples rubbing on wet nipples, hairs are becoming messy, & slippery bodies. These two could not hide their deep kept secrets for each other any longer but they kept wrestling for submission.

Through each body presses, crotch-to-crotch movements had made Bobbi feeling more and more horny for Abby as

she feels Abby's sheered nylon/pantyhose legs and thighs.

Abby yelled: "Stop!...what are you doing?"

Bobbi replied in a low-toned voice and a seductive stare: "Doing you..babe".

Both ladies are mentally blaming each other for (not be able to express their deep love three years ago); which is why these two are going aggressively on each other. Their inner guilt / remorse became their inner deep loving passion.

Abby's hands were all over massaging Bobbi's juicy butt wrapped in light blue spandex shorts. The texture of the spandex had driven erotically for Abby to remove them so she can also feel Bobbi's smooth back butt skin. Each butt cheek squeeze excelled more and more lust for each other.

Desperate and horny enough; Bobbi then rips Abby's nylons/pantyhose in pieces exposing the wet pussy area and pulled herself in desperately for her fast tinkling tongue. Although Abby resisted numerous erotic force from Bobbi but she immediately felt aroused by the aggressiveness and returned a "horny" favor by pulling Bobbi's G-string out. Both are now fully nude. Passionately, Abby switched her position to Bobbi's crotch in a 69 position and licked her pussy so desperately with full coverage at high speeds to wet the pussy for some nice hard-core trib friction afterwards. There were a lot of heavy tribbing and also multiple positions as the ladies find their best positions for the best possible penetrations. Each pussy rub gave these ladies the erotic tingling sensation that they've both wanted for the past 3 years of absence.

Abby looks to be the horniest chick as she reaches everywhere on Bobbi's glistening body and same vice-versa...from breast to breast, breast grabbing, twitching nipples, school girl pins, full mouth kissing, suction cup pussy-to-pussy rubbing 69, pussy licks, pussy fingering/rubbing, cow-girl, messy hair doggystyle,

neck cuddling, c-to-c,  
cuddling up the necks,  
butt-to-butt scissor trib,  
grabbing necks for the pin-down,  
some hairpulling, head grabbing,  
pinning down the mats,  
heavy breathing,...etc.

They found it was also their surprise that it all began as competitive wrestling that gradually blended with a rugged-raw lesbian sexfight. After some long hard-core sexfight it comes to an explosive orgasm from Abby. Abby was shakened by the release. Bobbi wanted more as she had craved for Abby for so long so she decided to pull Abby's wet body towards her for another pound at the pussy to a "second" explosive orgasm just for her total satisfaction. Two were lying down on the mats exhausted and sweaty as ever. Abby had two orgasms but she managed to recover for a few minutes and unexpectedly stood up and grabbed Bobbi's thighs, pulls her in for a crotch lock.

Out of Bobbi's surprise, both her legs are now locked with Abby's. Both stared eye-to-eye. Abby smiled and immediately her hips began to thrust back and forth as her pussy-to-pussy position became faster and faster. Abby's dominated thrust were twice faster than Bobbi's. Each thrust could witness the wet sound of pussy-to-pussy mashing together. Through minutes of thrusting, it was

time that Bobbi couldn't hold it any longer that she released one big orgasm.

Bobbi has 1 and Abby has 2 each totalling up to 3 orgasms combined.

(The "3" was a significant symbol of 3 years living away from each other and 3 years of hidden love).

The ladies then slow things down with some light kisses, and looked around the floor mats that shows clothes all scattered across the living room. Bobbi finally answers: "Now THIS is what I should've done three years ago.....you are mine my love."

Abby replied: "I've waited to do the same with you in a long time and you are mine too!"

Both on the floor lying on their backs, Abby then move on top of Bobbi body-to-body, crotch-to-crotch, eye to eye. Both face to face, smiled, kissed and hugged each other tenderly.

Unexpectedly, Abby's cellphone rings.....who could call her?
