

Denise and Nina are standing against the wall, kissing and fondling. Denise says "it's our first wedding anniversary today, I will have a surprise for you". Then Nina leaves.

Denise is a former lady wrestler who just published her diary, telling about her wrestling career and personal life. She is in the living room and makes a phone call. She calls a magazine "you asked for an interview, at first I refused, but I changed my mind, I would accept if you send me that young and lovely journalist pictured in your last issue. And it has to be this evening". Denise hangs up, and looks through the window, dreamy and thoughtful.

Later on, the bell rings. Denise looks to her reflection in the mirror, and put on some dark lipstick. She is wearing shorts and a t-shirt.

She opens to Lucille, the journalist. Lucille is wearing a skirt and a blouse.

They sit. Lucille puts a small recorder on the table, and the interview begins.

Lucille "first, how did you chose wrestling?"

Denise "I used to like fights .." (she laughs).

Denise shows her biceps muscles. Lucille pulls a small digital camera out of her back, and takes a picture.

Lucille "it is very uncommon to find very beautiful women taking that sport"

Denise "well, there are many other lovely girls in wrestling ... and when you are in, you get to know them ... very closely indeed"

Lucille blushes and seems very confused. "did you enjoy the sport ?"

Denise "what I really liked best was nude wrestling...the feeling of the opponent's naked body rub against mine ..."

Lucille "about your private life, you say very little in your book, the rumour is that you live with another woman"

Denise moves closer to Lucille, and puts her hand on Lucille's knee.

Lucille takes Denise's hand "you've got beautiful hands, the hands of an artist"

Denise puts slowly her hand inside Lucille's blouse and caresses her breasts. They kiss with passion, tongues move in and out.

Denise takes off her t-shirt, and tears off Lucille's blouse.

Denise "you will give me a fight, won't you ?"

Some wrestling follows, with both women rolling around on the carpet.

Lucille get on top, puts her breast on Denise's face who licks them, then they kiss again.

Lucille "you said you liked it better in the nude". They take off the shorts, skirt, and thongs. More wrestling ensues on the floor. Then they stop again, get on their knees and kiss.

Denise "it's my turn to take a picture", and she holds the camera and takes a picture of Lucille holding her on breasts and smiling.

Denise "shall I show you the bedroom ?"

Lucille is very excited and agrees.

Denise picks up the camera, and takes Lucille's hand and leads her to the bed in the next room.

She tells Lucille she'd be right back, and leaves the room.

As Lucille is alone and waiting, she looks around and takes a frame next to the bed. The picture showing Denise with another woman in a wedding gown (Nina).

Denise comes back with Nina, nude too, holding her hand.

Denise to Lucille "may I introduce you to Nina, my beloved wife"

Denise to Nina "here is your anniversary gift, honey."

Lucille "what is this supposed to mean ?
A set up ?"

Nina and Denise move towards Lucille. Denise gets behind her, and holds Lucille's breast from behind, one in each hand, caresses them, while she kisses her neck and shoulders. Nina stares at Lucille, eyes in eyes : "if you want her, you'll have to fight".

Nina grabs Lucille's hair on pull her onto the bed. They roll on, pulling hair. Nina controls Lucille, moves on top in a bodypress pin position, and much to her rival's surprise, kisses her.

Denise takes a few pictures of the two other women in action, then she joins in, and does not take the expected side. She helps Lucille to move on top, and turn Nina on her stomach. Lucille starts to work over Nina in the doggy position. And while she does so, Denise get's back to Lucille and kisses and massages her breasts. Nina fights back and gains control over Lucille, in school girl pin position. Meanwhile, as Lucille can not move, Denise stimulates her with one hand, the other hand hooked on Nina's hair. She moves faster and faster her finger over Lucille's clit, until she explodes in a loud orgasm.

Right after Nina and Denise take a scissors trib position, and move furiously until they are both satisfied. During this, Lucille kisses Denise, and licks her breasts.

The married couple lies exhausted, arms in arms. Lucille gets off the bed, gets the camera, and takes pictures of Denise and Nina kissing
