

Saturday afternoon, Mariella is at home. She's prepared for the weekend, readying herself for the Saturday night out, and she is expecting her two playmates Kendra and Gloria round for some supper before they hit the Clubs. So she pours herself a glass of wine, has a long hot soak in the bath, has her sexiest underwear on and takes her time picking out her sexiest dress.

Kendra and Gloria arrive straight from the Gymnasium where they both enjoyed a good Saturday afternoon workout, and arrive at Mariella's both still a little 'hot'. Both start to enjoy Mariella's perfume, and sexy stockings, pants and bra and both start to hit on her with kisses and light but intimate touches, and pulling on the underclothes and generally enjoying Mariella's beautiful body. But hey as the kissing and sucking get's more intense, 'stop' says Mariella, 'save it for later, the night is young, you two need to shower off, cool off and get ready yourselves for some serious clubbing.'

So here we have Mariella watching Gloria and Kendra strip off and soap themselves off in the shower. However, the pair are still wound up from the afternoon's wrestling and once covered in soap and oil where they apply it to eachother, they get more and more excited. Lots of gentle vertical tribbing ensues. Mariella enjoys watching as they start to masturbate eachother, mount eachother and plainly want to enjoy full on sex there and then. Mariella's presence is the prize for the night so that's the competition which Mariella allows them full sight of. Gloria is continually drawn to Kendra buttocks and keeps coming back to pin Kendra face down and against the wall to mount and rub Kendra from behind and continually runs her hands around Kendra front G

spot while grinding her own into Kendra bum, all the while kissing and love-biting the back of Kendra's neck.

Kendra moves around a little but Gloria hangs on gently still copulating and grinding on Kendra's hot arse. Kendra moves again but insistent Gloria again moves with her, her copulating buttocks never failing to rub her G spot hard on Gloria's ripe buttocks.

Taking a breather, Gloria clearly wants to enjoy Kendra's beautiful body showing Mariella the beauty of Kendra's wonderful glowing pussy and still and pouting breasts. She sucks them both in turn and gets Kendra hot and excited; Kendra takes a big towel still in the bathroom and allows Gloria any sexual position she wants in order to enjoy her wonderful body. Gloria has no ambition that evening with regard to Mariella, and purely wants to hump Kendra and they enjoy taking all sorts of sexual positions allowing maximum satisfaction for herself. Mariella enjoys what is going on and shows Kendra what is open to her if she keeps her climaxes for later allowing her, so they both help Gloria have complete satisfaction manually and orally to have a long long super-orgasm.

Having allowed Mariella to help Kendra to dry off and relax in the bedroom and pampers her a little. But Kendra is still hot and gently masturbates Mariella's breasts as she sits on the bed. Kendra then stands by the seated Mariella so that she can gently push Mariella's erect nipples into her open pussy and moves gently up and down, at the same time as reaching down and gently massage Mariella's open and welcoming pussy. Mariella can't help but to give in desire to pull Kendra on to the bed, mount her

and start wrestling her so she can enjoy open Kendra's swollen sex, and ride her and enjoy maximum excitement from the ever willing Kendra. Her objective is to get maximum penetration from pumped up Kendra' so she concentrates on positioning and adjusting her position to achieve this from the weakening Kendra. Full on soft sex wrestling ensues where they enjoy Mariella's natural exhibitionism and both Mariella and Kendra showing off their beautiful bodies, both completely full of hot lust and live for each other's hot bodies, join Gloria in enormous orgasms.

Of course, they recover and dress slowly; perhaps they decide to send out for pizzas at home, enjoy their wine and go out clubbing later!
