

The problem this Saturday night, was that Anastasia of course, was too 'hot' throughout. These friends had enjoyed their 'girlie pizza night out' (with a bottle or two of chilled frascati to wash them down of course). She couldn't believe her luck that the two beautiful girls with their respective men-friends out town for the weekend, had invited her along. Nothing too outrageous was planned, after the afternoon workout session in the gym, a shower and freshen up before the detour to the local Italian taverna and with comfortably full bellies, Nina inviting the pair back to her place for a video and a nightcap. Many a lad had gazed wistfully and offered any of the trio hot night out; but these girls were not looking for that kind of action, but

All three looked absolutely stunning of course. Nina so graceful with her long legs, wide hips and straight blond hair; equally devastatingly attractive Lucille with an hour-glass figure and tanned tight skin and shapely and bubbly Miss Anastasia could hid her glee at being in the company of a pair of so alluring and sexually explosive girls. Truly, she couldn't keep her hands to herself; the tactile Anastasia had no problem attending to her mates' every whim and wish. Sometimes, this could be a dangerous game to play in particular with Lucille. Lucille had her own forthright attitude, but Ana seemed to know when to cool it and when to giggle. Nina was just a cool pussy cat enjoying a few hours 'out'.

In a relaxed and replenished attitude all three entered Nina's pad and made for the lounge and it's large settee. Nina whisked off to the loo leaving the little tiddly Anastasia to help Nina take her jacket off. The sight of Lucille's full bosom again made Anastasia go weak at the knees and she failed in her attempt to not help Lucille loosen

slightly her mini-skirt belt, allowing her hands to brush over Lucille's ample chest. Lucille then went to straighten the throw on the settee and the further sight of Lucille's fabulous round arse was too much for Anastasia, who stood behind her just too close and allows Lucille's plump buttocks to meet her hot knicker front. Anastasia steadied herself by holding the side of Lucille's hips but that of course allowed her to push her rising pussy firmly into the bending Lucille's buttocks.

Anastasia was well found out but Lucille didn't really mind. She was fairly used to boys and girls going fairly mad over her fabulous body, so she was in no hurry to straighten up and allowed hot giggling and brave Ana to ride and adjust and hump into her pussy from behind. Anastasia did need to be asked twice of course and now bent forward to release the wonderful straining breasts of Lucille also bending forward. One breast swung free which the ever hotter Anastasia cupped it preciousy and held her firm.

But she needed a bit more than that took herself away from Lucille's arse running her hand down and over the by now wet knickers covering the back of Lucille, stopping for an instant to gently rub Lucille's hot ticket. But Anastasia swung around and sat down next to the still bending Lucille. She bravely pulled at Lucille's leg with the obvious intention of getting her face into the front Lucille's knickers, pulling one leg across and getting Lucille with standing with one leg on the settee, crotch invitingly wide open to the seated hot lips. At the same time she pulled on Lucille's neck and started the big kissing session that we know she absolutely loves.

Lucille wasn't really used to being pushed around like this and being some else's sex toy, but the warmth of the evening and the man handling she was receiving from Anastasia pleased her and as she became sexually aroused pulling down her own knickers, allowed her hot friend to kiss her on the face, then straight down to between her thighs where already Anastasia was running her fingers back and forth across her swelling cunt.

With all due ceremony, she took a small step back to disengage from and cleared the remaining blouse from her shoulders and allowed Anastasia full view of her magnificent chest. Anastasia almost climaxed with excitement there and then! The completely nude Lucille then steps forward onto the ever hot Anastasia who also been desperately wrestling some of her own garments off. Lucille again placed one foot on the bed alongside Anastasia, gently took hold of Ana's head and held her face well into her wide open pussy and allowed the ever quicken tongue of Anastasia's to excite her even further.

About this time, Nina reappeared to find her friends well and truly into some serious sex on her settee! Well it came as no surprise but her two friends, stopped their love-making, giggling and begging for some dressing gowns to hid their embarrassment; no problem for Nina, but if you think she was going to let the beautiful nude Lucille off the hook, you had another thought coming. She came back into the lounge with a gown, threw it to Anastasia and immediately ran and caught the surprised Lucille and bent her into in a real tight headlock!

Now Lucille was real easy meat. Anastasia quickly ripped off all her

clothing and got in behind the bent and head locked Lucille and started to full on pleasure herself on Lucille's entire exposed and unprotected rear end. Nina moved Lucille around allowing Anastasia full reign and full access to the completely trapped and surprised Lucille. Now Nina when she needs to be can be a very big heavy performer and even when her arms began to tire, she was able to get a standing head scissors onto the still bent Lucille. This enabled her to whip off her own top clothing. Anastasia in the meantime had been on her knees orally kissing and sucking at Lucille's wonderful pussy which was all beginning to take a hold of the weakening wrestling champion that Lucille has been becoming. She'd also taken advantage of the face down Lucille and taken the odd arm full of swaying breast and sucked and caressed them to Lucille's obvious is not feely allowed, pleasure.

When Anastasia was on her knees sucking at trapped Lucille's breasts, she also had the presence of mind to get her hand in and around the upright Nina, exploring her wonderful wide hips, the crack in her buttocks and increasingly wet and excited pussy. By now all three were well out of control and into some heavy and lustful sex. Nina backed Lucille up to the wall and stripped off the stupine Lucille allowing her somewhat dazed to stand against the lounge wall, still with the urgently sucking Anastasia with her face well into Lucille's quimm. Lucille was in no shape to retaliate and spread herself wide open; she acknowledged she had been sexually jumped by her two friends and temporarily had to forget her own competitiveness. She was never going to recover from this ambush. After her two friends kissed and copulated, tribbed, sucked masturbated and kissed her again, she was ready to be taken.

So Nina led her over to the settee, laid her face up this time but promptly pinned Lucille with the perfect reverse face sit pin. Anastasia squatted over Lucille's pussy, gently spread her legs and lightly rubbed Lucille's open clit before firmly pushing her own erect pussy into the moaning Lucille's, enjoying the view down over her own fabulously firm and pointed breasts, swinging rhythmically in time with her copulations, until Lucille let out the longest cry as she orgasmed again and again, her friends maintaining the perfect weight of rhythmic fucking.

Nina still reasonably cool, came off Lucille's face and spent little time rolling Anastasia off the shaking but defeated Lucille, and gently mounted her in a classic missionary position where she remained humping until the completely exhausted Anastasia could take no more, recoiling from the shock of another electrifying orgasm from the majestic and insistent hips of magnificent Nina.

Nina was relaxed, her two friends for the evening wiped out. By rights, someone should have taken care of Nina. But Nina was happy even in her mildly unsatisfied condition. Down at the gym earlier that day, Nina had noticed a strong looking brunette. And if we were about to get into girlfriends, then maybe this was the direction our dear Nina was about to go ...
